Electromobility

The International Electromobility Symposium 2022 will be held from October 17 to 19, 2022 at the Tecnológico de Monterrey, Puebla, Mexico.

The focus of the Symposium is to establish an effective platform for institutions and industries to share ideas and showcase the work of scientists, engineers, educators, and students from around the world.

ISEM'22 is currently planned as a hybrid event, combining physical and virtual sessions.

The cost of registering for the Symposium will depend on the type of attendee:

1. Student Admission (including EEE-PELS student members)
2. EEE-PELS General Members Admission
3. General Admission ISEM 2022
